NOTTINGHAM POETRY FESTIVAL

Community Events are what we call the festival programming that comes from the creatives of Nottingham.

These are registered with the festival and will appear on the website and in the brochure.

They are produced and financed by the community and all funds go back to the creators.

Anything goes if it is poetry related. Solo Shows, Open Mics, Discussions, Workshops, Films etc.

NOTTINGHAM POETRY FESTIVAL

Nottingham Poetry Festival is a great chance to collaborate - are there folks to work with and make your job easier?

Core festival advertising will promote everything but you are responsible for your own event.

All poetry festival events must agree to our code of conduct.

Do you have plans for photography/streaming? How are you getting consent for that?

There will be clashes so be aware of that and remember everyone is working in good faith!
