AT JERMY AND WESTERMAN

PRESENTS

NOTTINGHAM POETRY FESTIVAL 2017

SALT MODERN POET ROSIE GARNER

“Rosie Garner's poems explore a territory that often gets ignored, and she achieves a lyrical mix of toughness and tenderness that's hard to pull off.”

Ian McMillan

“Rosie Garner's poetry speaks for the city-dweller as a friend and observer. She writes with humility about her own experiences, casts light and shade into emotional corners, and brings her work alive at readings with disarming honesty and a twinkle in her eye.”

Jo Bell

Poetry starts 5.30
